

Dear Chevelle and El Camino Enthusiast:

The Maryland Chevelle Club (MCC) is a not-for-profit organization, established in 1988. We are dedicated to the preservation and enjoyment of all 1964-1972 Chevilles, whether they are stock, modified, or customized. Many of our members use their Chevilles as "daily drivers." Some have "concoers quality" original restored show cars, while others have all-out drag racers! From mild to wild, whatever your interest, we are here for YOU!

Membership in the MCC offers many benefits

Our Newsletter, **MCCNews** features: (1) tech articles to help with your restoration(s), performance improvements, detailing, production information and pending laws or bills that affect our hobby; (2) a Calendar of Events; (3) Club News; (4) FREE Classified Advertisements and (5) when available, a feature article on a member's Chevelle or El Camino and much more.

Monthly Meetings are held in various locations around the state. Typical meeting topics are "what's new" in our hobby, troubleshooting problems with projects, Club Business and Chevelle-related activities on a local and national level. You will meet other people who share an interest in Chevilles and El Caminos as you do. We are willing to assist each other with guidance and technical information from our own experiences.

MCC Special events include:
