

Evaluation Rules & Regulations 2011

If you wish to have your car evaluated at the show, the following rules & regulations **MUST** be adhered to!

1. Your car will **NOT** be evaluated against other cars. It will be evaluated against an evaluation sheet designed specifically for your cars class.
2. The application/registration **MUST** be postmarked between April 1, 2011 and May 15, 2011. There will **ONLY** be 35 cars allowed to participate this first year.
3. The show registration fee, plus an additional \$25.00 will be required and **MUST** be pre-paid to enter this program. Once accepted all money is **Non-refundable**. The fee is to cover all additional expenses incurred by the club.
4. You will be given a set time to be at the evaluation tent **NO DEVIATIONS... LATE**, and you will **RELINQUISH** your spot! You, the owner, **MUST** drive your vehicle to the tent 5 minutes prior to your appointed time and be ready to enter the tent when directed.
5. Once under the evaluation tent, you will immediately put the car in evaluation stance. This means the car will have all windows up, hood and trunk open and convertible tops **UP**.
6. You will exit the evaluation area and go to the assigned area away from your vehicle. No contact with the evaluation team will be allowed during the Evaluation process (unless they approach you).
7. After the Evaluation team has finished their work, you will get back into your car and leave the tent under the direction of the Safety Walker **BACK** to your spot on the field. ***You must return to the show field.***
8. You will still be eligible for any Participant Choice and Special Awards.
9. Your cars evaluation may earn you one of the following certifications:
